## **Celebration of Life!**

Life is filled with wonder  
A garden of delight  
Feel the love surround me  
In calm and gentle light

Each day in life is precious  
So live just for this day  
Whatever comes tomorrow  
Welcome it and say

I have given all my best  
In all these days I've spent  
Moments that I treasure  
Remembrances content

Time does pass so quickly  
Years come rushing fast  
Enjoy the time you live in  
These happy days will last

Celebrate each new day  
With zest and love to share  
Knowing that tomorrow  
Brings peaceful calm you wear

This my inspiration  
Make every day worthwhile  
For life will give you wisdom  
Each day another mile.
